submitted.

The Dewan has ordered in the draft that the estimate of Interest on assessed Taxes & on Salt should go to the Revenue Commissioner in accordance with para 6 of his R 3758-67 dy 27.3.03.

In paras 1&2 of G.O. no: R 2436-51 dy 27.10.04 it is directed that (1) Contingent bills relating to Sayer & (2) Estimates in the case of assessed taxes, Sayer Customs and Salt should be submitted to Govt.

According to the order of 27.3.03 the Rev Comr should countersign contingent bills relating to Sayer & Consolidate the Dist Budgets under assessed taxes and Salt.

Hence the order of 27.10.04 seems to require some modification.

Draft is submitted for approval or other orders.

As in the case of interest, the Estimate of revenue from Sayer, Abkari fees & Salt pans shd also go to the Rev Comr. As he administers the rules regarding these ~~sources of~~ revenues the Contingent Expenditure under the corresponding heads included in the Dy Comrs bills, may also be controlled by the Rev Comr. The revised draft now put up makes the necessary alterations in paras 1&2 of the original order.

READ—

Government Proceedings No. Fl. 2436-51—Gl. Fin. 602-03, dated the 27th October 1904, issuing instructions regarding the consolidation of the District budgets.

No. FL. 4441-56—R. F. 602-03-3, DATED BANGALORE, 17TH JANUARY 1905.

ORDER THEREON.—Government are pleased to direct that the above order be modified as follows :—

The District budgets which require consolidation are the following (*vide* Schedule A appended to Government Proceedings No. 1150-1192—18-1901-02, dated the 7th February 1903) :—

Revenue and Receipts.	*Expenditure.*
I. Land Revenue	4. Land Revenue.
V. Assessed Taxes	7. Sayer Customs.
VI. Sayer Customs	9. III. Stamps-Miscellaneous.
VII. Salt	14. District Magistrates.
VIII. Stamps	23. (1) Travellers' Bungalows.
XIIA. District Magistrates	
XVIIA. Interest on arrears of Revenue	(2) Miscellaneous.
XVIII. Miscellaneous	(8) Famine Relief.

The Revenue Commissioner is responsible for the submission of the budget estimates of receipts under I "Land Revenue" according to the schedule referred to above, and para 8 of Government Order No. 849-88—Gl. Fin. 93-04-2, dated the 13th August 1904. He should therefore consolidate the District Land Revenue estimates. Excepting "Revenue Survey" and "Inam Department" for which the Survey Commissioner and the Inam Superintendent are responsible, the Revenue Commissioner is required to submit the budgets under the other minor heads under 2. Land Revenue, and he will therefore consolidate the District budgets under these heads. The budget estimates of expenditure consist of the following principal divisions :—

(1) Salaries and Establishments.
(2) Allowances.
(3) Supplies and Services and Contingencies.

The first division requires only simple consolidation as the needful check is exercised by the Comptroller with reference to the scale sanctioned by Government. The Revenue Commissioner being the controlling authority in regard to travelling allowances of the officers of the Revenue Department, the duty of exercising the necessary check over this division of the budget devolves upon him. As for the third division, the Revenue Commissioner cannot be expected to scrutinize the necessity or otherwise of the provisions required by the Deputy Commissioners as he is not now the controlling officer for this kind of expenditure, the contingent bills being still received, checked and countersigned in the Revenue Branch of the Secretariat. It is however desirable to recognise him as the controlling officer for the contingent expenditure also. The contingent bills now received from the Deputy Commissioners account for not only such contingent charges as can be checked and countersigned by the Revenue Commissioner, but also for those debitable to Law and Justice and Miscellaneous. For these latter separate bills should be prepared and submitted to Government as heretofore. The bills for the rest of the contingent charges of the Deputy Commissioners should be submitted to the Revenue Commissioner for the necessary check and countersignature. The Revenue Commissioner is thus enabled by this arrangement to exercise the necessary check over the provisions proposed by the Deputy Commissioners for contingent expenditure also.

Financial, dated 17th January 1905.

As para 6 of Government Order No. R. 3758-67, dated the 27th March 1903, directs the Revenue Commissioner to administer the rules in regard to Sayer, Mohatarfa and Salt-pans, the check and consolidation of the District budgets in the case of V. Assessed Taxes, VI. and 7. Sayer Customs and VII. Salt, will also be done by him.

The Deputy Commissioners are requested to send their budgets under VIII. Stamps and 9 III. Stamps Miscellaneous, to the Superintendent of Stamps for compilation of the Provincial figures.

The estimates under the heads XII A. and 14. District Magistrates are now consolidated by the Chief Court.

Under XVII A, interest on arrears of Revenue, there are the following subheads:—

Interest on Land Revenue.
„ on Forest Revenue.
„ on Excise Revenue.
„ on Assessed Taxes.
„ on Salt Revenue.
„ on Pension Contribut

For the last the Comptroller is responsible. As the rest are interest on arrears of different kinds of Revenue, the respective Heads of the Departments may consolidate the estimates of interest along with those of the Revenue proper and the District estimates of interest may, therefore, go to such Heads of the Departments as shown below:—

Estimate of interest on Land Revenue to the Revenue Commissioner.
Do on Forest to the Conservator of Forests.
Do on Excise to the Excise Commissioner.
Do on Assessed Taxes. } to the Revenue Commissioner.
Do on Salt. }

The District estimates under the XVIII, 23 (1), (2) Mis. and 3 Famine Relief, will be consolidated in the Secretariat as there are no officers above the Deputy Commissioners to whose control receipts and expenditure under these heads are subject.
